Jimmie Lee recently performed in Las Vegas to sold out crowds, with an exhilarating, phenomenal show!! This Live Show will be made into a Live CD that will hit stores early spring, 2010!! This is one Jimmie Lee CD that you don't want to miss!!! LAS VEGAS, NV 01/24/2010 - Jimmie Lee, The Jersey Outlaw recently ignited Las Vegas on fire with his huge sold out show which punched his career into the "Stratosphere". This Live Show will be made into a live CD that will hit stores early spring 2010. This is one Jimmie Lee CD that you don't want to miss!! The Jersey Outlaw delivers powerful shows, and performs live as though his life depends on it. No entertainer on earth has ever been more powerful in front

of the crowd, and Jimmie Lee needs nothing more than his music! Every new concert for Jimmie is a new test, a new challenge and the stage becomes his proving ground. Jimmie's trademark country horse powered sound is still intact in each song, and our boy delivers. The bad boy of country rock opened the show with "LETS GO", a killer 'in your face' country rock extravaganza that's an audience favorite!! Jimmie's concert included favorites as Kickin Ass, Crazy Bitch, Forever 29, and he reached into the attic for some songs from his early albums. Our boy kicked it like nobody's business with an encore of his best, Gimme A Holler, Cross Country 4 Wheel Drive, and closed the show with his theme song, Country Rocker.

A meaningful set ending piece with the jive band groove and evangelical exhortations. The Jersey Outlaw rides again, with an uplifting, exhilarating phenomenal show!! 5 Stars, Baby!!! Jimmie has played last year to sold out crowds at the House Of Blues, Atlantic City; Hard Rock Cafe, Philadelphia; Prospectors Saloon and many more!! Most recently, The Jersey Outlaw has teamed up with HighRoller-Clothing to create the Jimmie Lee Special Collector T-shirts. They are available at www.highrollerclothing.com and at all Jimmie Lee shows. Expect big venues this year as The Jersey Outlaw Road Tour hits the ground running. Our boys on fire and better than ever. It's a show you must see!
