by Mike Vagnoni

A couple of issues back we told you about Jimmie Lee the Jersey Outlaw and how he would be doing a special show this coming summer. As reported, a date has been secured for Jimmie Lee to open for George Thorogood and the Destroyers on July 23rd at the House of Blues located in the Showboat Casino in Atlantic City... doors open at 8pm - show time starts at 9pm. Tickets are \$35 and \$40

Jimmie Lee just completed a video release on Let's Go - the title track and hit on Jimmie Lee's hot CD release.

The Video is up on YouTube and Facebook and the video was shot at Whiskey Tango back in early June. The tour is just beginning and from a sold out show in LAS VEGAS and to opening up for the legendary rocker George Thorogood, Jimmie Lee is taking the ride into country rock stardom. Check out this Jersey Outlaw with his style of music and songs. You'll see why this local boy is climbing that ladder to country rock star status. The time is right for Jimmie Lee the Jersey Outlaw (The bad boy of Country Rock)
